The Western Maine Section Meeting of Girl Scout Leaders and assistants is being held today (Thursday) at Grace Cummings camp on Norway Lake. Arts and Crafts is the subject of this meeting.

## COMMENTS FROM THE TOWN MANAGER'S OFFICE

Sidewalk construction was started this week on Main Street. A small piece is being constructed on the south side of the street from the C.M.G. Station to the residence of Charles Merrill. The remainder of the appropriation will be expended on the north side of Main Street beginning at the intersection of Mechanic Street and extending easterly. The first two hundred feet is to be entirely rebuilt and the remainder of the distance will be resurfaced.

Sixty tons of salt arrived last week to be used with sand for ice control. Another is scheduled for delivery on Jan. 6th. The amount purchased is the same as last year. Tax bills were mailed on Tuesday of this week. If there is any question regarding your tax bill it will be appreciated if you will call or visit the Town Office at an early date rather than to let it remain until the end of the year before any inquiry is made. If there should be any error in tax billing it would be easier to make any corrections this month rather than in the last minute rush at the close of the year.

The fiscal year of the town coincides with the calendar year. Therefore taxes should be paid by Dec. 31, 1957, in order to avoid having your name published in the town report.

Sincerely,  
Harold L. Bean,

## NEW BOOKS AT THE BETHEL LIBRARY

### Adult Books

"Sing Out the Glory," by Gladys Hasty Carroll. The love of a boy for a girl, of a farmer for his land, of the people for their nation, are all portrayed with a beauty and feeling that make "Sing Out the Glory" one of Gladys Hasty Carroll's finest novels.

"Death of an Ambassador," by Manning Cole. The fatal shooting of the much publicized Eminent ambassador shocked London and gave Scotland Yard a dramatic puzzle to unravel.

"The Living Legend" by Alce Phillips. This is the story of the Royal Canadian Mounted Police.

"A Houseful of Love," by Marjorie Houseman. This Armenian family lives in New York in the late 1920's. Enjoyable and rewarding.

"The Dog who Wouldn't Be," by Farley Mowat. This dog book is a little tale much like the "Life with Father" books. It's the story of a dog and his boy, the dog being dedicated to escaping the limitations of a dog's life. A cute story. "Letter from Peking," by Pearl S. Buck. Elizabeth is an American woman whose husband Gerald, half Chinese, has elected to stay in Peking under Communism while she returns to America. Ronald, their son, is seeking love in America, is wildly frustrated because of his Chinese blood. "After Peking" is a tender and suspenseful story in a world split apart.

## MAINE FARMERS CAN PREVENT FIRE LOSSES

Maine farmers can do much to protect their property from fire, says Marjorie Varner, Extension Service agricultural engineer and secretary-treasurer of the Maine Farm and Home Safety Council. Now, during National Fire Prevention Week, October 6 to 12, is the time to give it some thought and to do something about fire prevention. Suggestions would include: putting the number of the fire department near the phone, making the fire department familiar with your farmstead, checking heating equipment and wiring, and having fire fighting tools and extinguishers handy. Having a farm pond or stream full of water will be essential in case of fire.

Mr. and Mrs. Henry Bourgon and son, John, left the last of the week for Ft. Meade, Md., to make their home where Lt. Bourgon will be stationed.

Mr. and Mrs. Wallace Saunders and children, Bobby and Patty, were week end guests of Mrs. Saunders' parents, Mr. and Mrs. Hugh Miller, Brownville Junction.

## BETHEL PTA TO HEAR GEN. LOWE TUESDAY

The Bethel Parent Teacher Association feels very fortunate to announce that the speaker for the October 15 meeting, at 8 p. m., will be Major General Frank E. Lowe. No person could be better qualified to aid us in our observation of United Nations Month and our need to have our perception heightened as to the necessity for world unity, if we are to provide any security for our children.

General Lowe served through three theaters of war and was President Truman's personal representative and observer during the Korean action before his retirement to Harrison, Maine.

We urge a large turnout for this highly informative speaker and the "get acquainted" session over refreshments, following the talk. This year's theme of the meeting of PTA is (Parents)-(Teachers)-(Anyone Interested).

## METHODISTS TO HEAR REV. PARKIN, OCT. 24

On Thursday, October 24, at 7:30 p. m., in Bethel Methodist Church, Methodists from surrounding towns with a 35 miles radius will gather to hear Rev. Charles Parkin, Jr. He is well known in this territory, having served as Methodist District Superintendent for two and one-half years, and previously having served as pastor in Rumford for two years. In 1953, Rev. Parkin was chosen for an important position on the staff of the Home Mission Society of the Methodist denomination. He is still on that staff, with even more important responsibilities, including mission-projects in Alaska, Hawaii, Puerto Rico, Oklahoma, Indiana, and Spanish-speaking people in the southwest.

On this coming Oct. 24, Rev. Parkin will give a vivid presentation of the mission-work in Alaska, and also the challenging need for the new Methodist College in Alaska, soon to be realized. Almost 5,000 Methodist Churches in the United States have now subscribed approximately \$3 million, with \$1 million already in hand. The goal is \$5 million.

Rev. Parkin has visited 22 out of the 24 Methodist churches spread over the vast territory of Alaska. He has also visited the site of the new Methodist College.

## HOSPITAL AUXILIARY HOLDS MONTHLY MEETING

The Bethel Auxiliary of the Rumford Community Hospital held its monthly meeting Monday, October 7 at the home of Janet Richardson with Jean Kelley assisting.

Members were asked to please turn in their tickets and limited goods to Dorothy York or Ruth Wilson by Monday, October 14.

A committee meeting will be held October 14 at 7:30 at the home of Ruth Lanni. Fair chairman and officers will mark and package items for the Fair Booth.

The next meeting on November 4 will be held at Ruth Lanni's with Margaret Trinward assisting.

## AMERICAN LEGION AUXILIARY

The American Legion Auxiliary met at the Legion Rooms Oct. 8. A pot luck supper was planned for the meeting of Oct. 22 with speaker, Mrs. Roland Tardiff of Lewiston, present.

It was voted to buy draperies for the dining room, Mrs. Pearline McArthur, to purchase the material. It was voted to buy popples, and money to Child Welfare, National Child Welfare, County Council dues, 2nd District Council dues, Rehabilitation Tax and Christmas Fund. The Rehabilitation Chairman announced that the box for the Christmas Gift Shop is to be sent to Toys in November. Anyone having anything to donate it will be appreciated. Mary Kendall won the mystery package.

## GRASS ROOTS OPINION

Mariontown, Pa., Bulletin: "Smoky, the Bear, has been seen on television many times during the past few months, warning us to avoid forest and brush fires. The trouble with Smoky on TV is that while his message may be appropriate to California or New England viewers at a given time, he is also warning people who are in the midst of a rainy season. Like the school zone signs which some towns erect when they remain on the street during the summer vacation, the regular appearance of Smoky robs his message of effectiveness."

## LADIES CLUB PROGRAM TO FEATURE PICTURES OF OLD MAINE CHURCHES

J. Everett Riley of East Baldwin, Postmaster of East Baldwin and Assistant Secretary of the Maine State Grange, has an interesting hobby which has made him travel all over Maine. He takes colored pictures of old churches and has colored slides of nearly all the old churches of Maine especially those with the Paul Revere bells, for Paul Revere cast bells as well as being a silversmith.

Mr. Riley will show some of these slides in Garland Chapel the evening of October 17th at eight o'clock at a meeting of the Ladies Club. Anyone interested is invited to be present. The club will enjoy a pot-luck supper at 6:30 p. m.

## GRAFTON CO. MILL CLOSES—BETHEL DOWEL CORP. REPAIRING MACHINES THERE

Operations of the Grafton Lumber Company at their mills on the Bethel-Locke Mills road were discontinued the first of this month. At present the machinery of the Bethel Dowel Corporation, whose mill at Skillington was burned last Thursday morning, is being overhauled in the shop at the Grafton plant.

## ELEANOR GORDON GUILD HOLDS INSTALLATION

The Eleanor Gordon Guild met Wednesday evening at the Methodist Church with a pot luck supper served by Connie Wing and Neva Coolidge. Seventeen members were present.

Supper was followed by installing of officers. Mrs. Dwight McMahon was installing officer. New officers are: President, Beth Brown; Vice-President, Dorothy Bean; Secretary, Marilyn Parker; Treasurer, Eugenia Hamilton. Gifts were presented the outgoing officers and the installing officers.

It was decided that the Guild will have a candy sale at the Church Fair Nov. 14. Mrs. Ernest Blake and Mrs. Malcolm Mundt are to decorate. The following will be in charge of selling: Mrs. Robert Lowe, Mrs. Avery Angevine, Mrs. Donald Walker and Mrs. Lawrence Young.

Mrs. Richard Bean received the mystery package. Entertainment was provided by Mrs. Ernest Blake and Mrs. Malcolm Mundt.

## FIVE TOWN TEACHERS MET MONDAY EVENING

The Five Town Teachers Club met Monday evening at the Greenwood City School with 22 present. The report of the summer conference was given by Floribel Halmer and Melva Willard. The report of the President's Conference was given by President Charles Helms. Committees were appointed for American Education Week which is Nov. 11: Chairman, Olive Larvey; Blanche Howe and Bernice Halmer, Poster Committee; Floribel Halmer, Eva Twitchell, Ruth Hastings; Program Committee: Colista Morgan, Doris Hayes and Ruth Ring.

Clifton Blackford, a retired teacher of Rhode Island, who is now living in Bryant Pond gave a talk and demonstration on ceramics. Refreshments were served.

## HARRIET M. BLAKE

Harriet M. Blake died Wednesday morning at an Augusta hospital. She had been ill for the last year.

She was born in Bethel, Nov. 26, 1892, the daughter of Charles and Isabelle Brown Blake. She is survived by a son, Clayton, Bethel, four brothers, Ralph, West Haven, Conn.; Leslie, Milton, Mass.; Walter, Mechanic Falls, N.Y.; and Bethel.

Funeral services will be held Friday at 2 p. m. from the Greenwood funeral home, Bethel, Rev. Clifford Laws, officiating.

Warm summer sun, shine kindly here,  
Warm southern wind, blow softly here;  
Green and above, rest light, rest light.  
Good night dear heart, good night."

The monthly meeting of the Western Maine Firemen's Association will be held Monday evening, Oct. 14, at South Bridgton, preceded by a harvest supper at the Church.

## TO BEGIN PRE-SCHOOL SURVEY NEXT WEEK

The Bethel School Committee has authorized a pre-school child survey in the Bethel area starting October 16. This will be done so that the number of pupils entering in the next five years may be more nearly determined. Past experience with this type of survey has shown it to be reasonably accurate for prediction of future school enrollments.

## YOUTH WORK-DAY FOR CHRIST, OCTOBER 12

The members of the Pilgrim Fellowship, youth group of the West Parish Congregational Church of Bethel, annually share in the nation-wide Work-Day for Christ project. The date set for this annual project is Saturday, Oct. 12.

The purpose of the project as set up several years ago by the youth groups of the Congregational-Christian Churches is for each local youth group to offer itself for all kinds of jobs that may be available in a community. The money they receive for their labors is offered as an unselfish gift to the Christian work being done throughout the nation and the world by the several agencies of the Congregational denomination.

In times past, the young people have undertaken such jobs as car-washing, raking leaves, washing storm windows, baby-sitting, splitting and stacking wood and many other community chores.

The members of the Pilgrim Fellowship are ready for work this Saturday. You can provide it. Call Miss Patricia Brewster, the Pilgrim Fellowship President and she will see that the worker is provided. From past experience, it has been found that the entire youth group was signed up for jobs early so it is advisable that you make an early bid for the services of our young people. The jobs may be short-time chores or all-day work. You name it and the young people will do it.

## SUNSET REBEKAH LODGE OFFICERS INSTALLED

Installation of officers for Sunset Rebekah Lodge was held Monday evening. District Deputy President Dorothy Tucker and staff installed the following officers after which refreshments were served.

G., Ella Cole; Warden, Lillian Coolidge; Conductor, Alice Taylor; Chaplain, Eugenia Hackett; Outside Guardian, Elsie Moore; Inside Guardian, Kathleen Bennett; Treasurer, Ida Packard; Recording Secretary, Addie Saunders; Financial Secretary, Louise Lofthrop; Flag Bearer, Fern Jordan; Musician, Eleanor Bean.

## TO THE PARENTS OF OUR BETHEL SCHOOL CHILDREN

We as mothers and parents of children going to our public schools, believe many of you may not feel too well acquainted with your P. T. A.

The Parent-Teacher Association is made up of mothers, fathers and the teachers of your children. Regular meetings are held the third Tuesday of each month, giving an opportunity for parents and teachers to meet each other; to discuss problems confronting the individual child; and to create a friendlier, more social relation between the home and school.

Seeking to have all parents take part in the P. T. A., we of the membership committee hope you will join that we may give our children the best education possible. See you at P. T. A.

## The Week in Oxford County

Mrs. Violet Richmond, 36, of Oxford, died up to October 22. Owen Richmond and Earl Bonney, 3, also of Richmond, were knocked down by a frightened race horse with sulky at Fryburg Fair last Thursday. They were not seriously injured. The horse was stopped, after it had plunged through a parking lot, near a tent where the Herford show was in progress.

Mr. and Mrs. I. Herbert Pace of South Paris observed their 50th wedding anniversary at their home Friday. Mrs. Pace is a native of blacksmith. He practiced his trade 51 years.

Paul M. Dwyer lost his bid for a new trial in the Littlefield murder case Superior Court Justice Cecil J. Madden dismissed his petition.

The first day of Waterford Fair was wintry cold. Saturday was sunny and mild. An attendance of 2000 was reported.

Applications for nomination for postmaster at Dixfield will be re-

"The optimist proclaims that we live in the best of all possible worlds—and the pessimist fears that is true."

## ACROSS the DESK

Ideas from other editors

**From The Arrada Waterprise, Arvada, Colorado:** All branches of the armed forces are finding out—painfully—that the men who are being drafted for duty or those who enlist because they are about to be drafted are not accepting some of the "guff" put out by instructors and officers. The many cases filed by recruits in the Marines against their D.I.s and the recent case of the 20-year-old Colorado airman who refused to get a "white sidewall" haircut are cases in point.

To have an efficient and well trained military machine, obedience is one of the prime requisites. However, there must be a line drawn somewhere against being obedient to strictly military orders and those that are only the wishes or whims of individuals.

For instance, the airman was not defying a military order. He had a regulation air force hair cut, but he refused to get the type that the commander of the honor guard desired his men to wear.

A little common sense might have prevented the incident from growing out of proportion, but common sense in the military is sometimes as hard to find as it is in civilian life.

**From The Independent, Faquay Springs, N. C.:** Once upon a time, a two-hour baseball game was viewed as a long one. Today, a two-hour baseball game is not only a short game, but would also be considered as near miraculous. There is increasing discussion of the length of major league games. Efforts have been made to shorten the time of games. For instance, a new rule was adopted for this season requiring the pitcher to make his pitch within 30 seconds when there are no men on bases. But umpires have found this to be an unenforceable rule. The lively ball, the frequent changes in pitchers, the conferences on the mound, the preambulations of managers from dugout to pitcher's mound to dugout are all reasons why ball games are now longer than they used to be.

There is one more reason. The sponsors of telecast ball games are paying to advertise their wares. They want between-the-innings commercials. And if they are to get what they pay for then the between-the-innings change of teams and warmup must be long enough to provide for the beer and cigarette pitch. The short ball game is an ancient memory of the age of the streetcar.

## Economic Highlights . . . . .

### Happenings That Affect the Future of Every Individual — National and International Problems Inseparable from Local Welfare

Nobody likes to pay taxes — a statement which amounts to a cliché to end all clichés. Ever since the first tax system was devised, way back in the mists of history, people have grumbled against the burden. Taxation has been a root cause of wars and revolutions and of all manner of other upheavals.

In this country today, sentiment on the tax problem seems to be passing the grumbling stage. There is a growing feeling, both in and out of government circles, that something drastic must soon be done. The first and foremost desire, of course, is to reduce the extent of the burden — to find ways whereby the government will take less of our earnings and we may keep more for ourselves. Then, in addition to this, there is a strong-backed belief that the tax system is unfair in many particulars, is unnecessarily complex, and needs a basic overhauling. Like Topay, this system "just grew" over a period of many years. Most of us are generally convinced that it is full of needless inequalities and confusions.

A number of specific proposals for tax reform are now current. One is complete and total repeal of the federal income tax law. This was suggested some time ago by Dr. Charles Andrews, once Commissioner of Internal Revenue, and it was his principle plank when he ran for President on a third-party ticket last year. A bill for achieving this end via a constitutional amendment has been offered in Congress.

However, abandonment of the income tax is an extremely remote prospect now. The proposal which seems to offer the best chance of concrete action in the field of tax reform is found in a bill introduced by Representative Haddock of Connecticut. He has made a thorough

study of the matter, and is convinced that income tax rates can be greatly reduced and that increased federal income resulting from stimulated economic activity would more than make up for the losses, and would bring the government all the revenues it requires. Under the terms of the Haddock bill, the existing income tax rate of 30 per cent would be reduced to 15 per cent. The progressive rates applying to the higher brackets would also be cut. The ultimate goal is to reduce both the top individual income tax rate and the corporate tax rate to a maximum of 25 per cent, against the present 91 per cent and 52 per cent rates. The reform would take place gradually, over a period of five years, with the proviso that the time could be extended to nine years if that were necessary to prevent an unbalanced budget. Significantly, 60 per cent of the tax relief resulting from adoption of the Haddock plan would accrue to people with taxable incomes of \$4,000 a year or less.

Another important point deserves attention here. Contrary to the commonly-held opinion, very high tax rates are not big revenue producers for government. Henry Hazlitt tells this story in a recent Newsweek article. Using figures produced by a Tax Foundation study, he shows that if the present rate structure had a maximum of 50 per cent, as against the 91 per cent, the government would still obtain 86 percent of the revenue at 1950 rates, and the loss in revenue would be only \$124 million. On top of that, he writes, "Time and time again, when the highest rates were reduced, relative revenues from the high-income brackets rose." He cites the 30's as proof, when the top rates were heavily cut. "Despite this reduction," he says, "the share of the total income tax paid by the high-income bracket more than doubled — from 30 per cent in 1930 to 65 per cent in 1939."

found a pearl of unbelievable beauty and value. It changed his whole life. In fact it ruined it. At the end of the story, knowing what happened to his character, he went far out into the surf, and threw away the pearl the one thing that was spoiling his life.

Are you, too, caught in a trap like that?

...Be strong and of good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest. — (Joshua 1, 9.)

Through the long centuries, men have held these words close to their hearts and have overcome the grief and tribulations that must come to us all. Today, as forever, "God never fails."

Read Romans 12:1-8.  
Be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. (Romans 12:2).

SEATED opposite me in a railway carriage was a selector of a team for international sports. With much hesitation I asked, "Why did you choose so-and-so?" His answer was "Because he is a team man." He meant that whatever the captain ordered, the player obeyed, whether it was his style of play or not. He played for the captain and the team.

Many of us are self-centered, with an exalted opinion of our judgment and wisdom. The result is that we play as individuals rather than as members of a team. E. Stanley Jones tells of a cartoon of

a sick-looking world with a doctor holding its pulse. The doctor shakes his head and says, "You are in a bad way. You are allergic to yourself."

Our self-centeredness can be changed when we accept God in our hearts and allow His power to transform us. Then we become "able to make out what the will of God is, namely, what is good acceptable to him and perfect."

Prayer  
O Lord, forgive me if through vanity and selfishness I do not obey Thy will and so hinder the coming of Thy kingdom. This I ask in the spirit of the Master, who taught us to pray, "Our Father who art in heaven . . . Amen."

Thought For The Day  
I pray that Christ, not I, may be seen and heard through me.  
J. E. Poppins (Australia)

## Kenny Foundation Widens Research, Scholarship Aims

Minneapolis, Minn. — Well organized programs of research and scholarships are vital to the future rehabilitation of persons with neuromuscular disabilities, according to R. Bruce Kenney, president of the Sister Elizabeth Kenney foundation.

This fast growing branch of medical science, which is bringing a wide variety of medical skills to bear upon the problem of restoring victims of crippling disorders to normal life, cannot continue to expand without purchasing its own roots, he declared.

That's why the Kenney foundation — now conducting its 1957 annual fund appeal — has embarked upon a long-range program designed to attract more technicians to fill the needs of the fast-growing field and to stimulate research in the broad underlying fields, he said.

For several years, Kenney Institute has been extending the "know how" developed in the treatment of polio into the wider field embracing other crippling disabilities, he declared.

One that desires to excel should endeavor it in those things that are themselves most excellent.

Rev. Robert H. Harper

**KICKOFF**, this or that yard line, forward pass, goal and try for extra point are words on the air on the football field and out on the radio all over the land. And no longer can the collage was paraphrase some lines of the Psalm of Life to say:

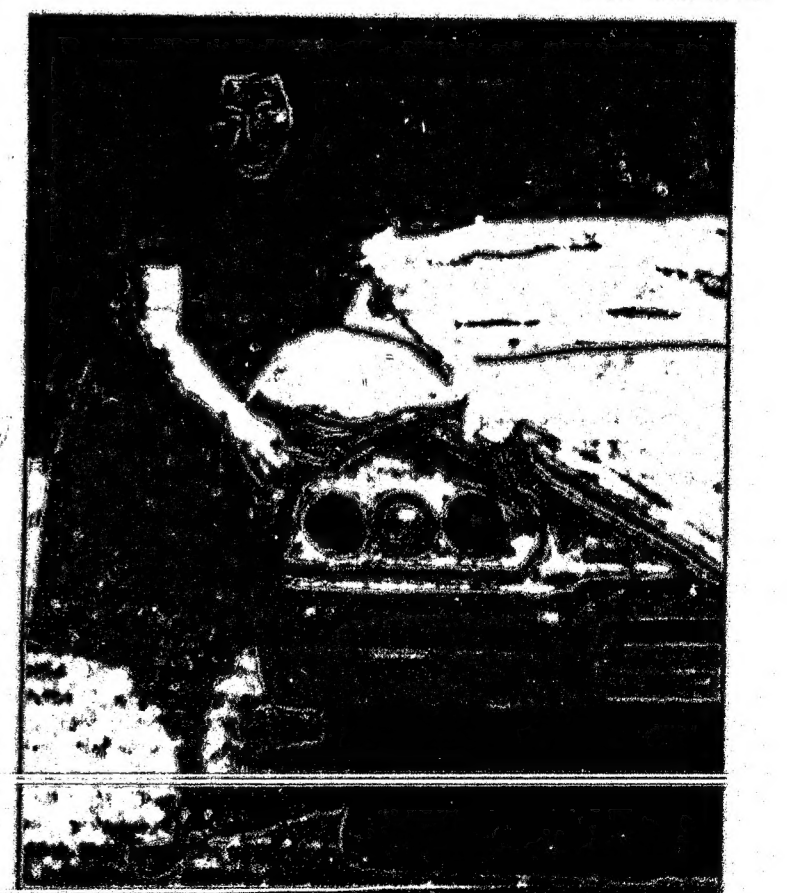

Lives of football men remind us  
That they write their names  
in blood  
And, departing, leave behind them

Half their faces in the mud.  
For much of the hazard and the danger of personal injury has been reduced by more open play and safeguards for the men who battle on the gridiron. But much is also due to long practice and hardening training.

In this we are reminded of what Paul wrote about "keeping his body under." He was evidently familiar with it, if not a patron, of the Olympic Games and knew of what he wrote. He knew of the rigorous training required.

Why not learn something more than the score in watching a football game? Do you keep your body under by abstaining from everything that would hurt the body? Do you give attention to things that will contribute to your growth in knowledge and grace? By doing so you can attain unto strength of soul.

The methods of Communism are succinctly described by a top authority Mao Tse-tung, Chief of the Communist Chinese State: "We in China . . . have used force to deal with enemies of the people. The total number of those who were liquidated by our security forces numbers 800,000. This is the figure up to 1941." Since then, he added, "persuasion and education" have been substituted for terror.

AS SHE SHOWS . . . SO SHALL WE PREP  
Baron Johnson, petite GM Frisco General secretary, carefully fits the jacket from the rear end of a 1954 Chevrolet, examining a small portion of the startling new styling which will distinguish the new line of cars soon to be introduced to the public.

## SCHOOL NEWS

Grade 4—Mrs. Ring

We had perfect attendance the three school days of last week.

On Monday, we had a filmstrip about Fire Prevention and Smokey the Bear is going to visit us this week. Our room got a blue star for penmanship, and we hope to get a gold one next month. Jacquelyn Brooks and Rhonda Brown have been absent this week. Rhonda sprained her ankle and Jacquelyn has the chicken pox.

Grade 5—Mrs. Kneeland

We were pleased to be back to school after a few days vacation so our teacher could attend the teachers' convention in Portland. We are looking forward to the mural we are going to make in Social Studies for our bulletin board. We are bringing waste materials to make things in art for our room. Barbara brought a rabbit to school and gave it to Lennie. We put another map up to study with and Gregory brought a star fish. Miss O'Connor has been here two times and we got a blue star. Smokey the bear is coming to visit us we hope. We had our first movie today and it was on baking. Reporters, Lennie Duck and Gregory Glicks.

Grade 6—Miss Varner

This is American Fire Prevention Week. We expect to see "Smokey, the Bear" on Wednesday. We have had 100% attendance for seven days.

We had our first movie on Tuesday. It was "What is Money?"

We received a "blue" star in writing. We'll try for a gold one next time. All boys in Grade 6, 7, 8, who are interested in basketball are going to meet in Mr. Hines' room, Thursday after school. — Reporter, Mildred Kimball.

Grade 7—Mrs. E. Lord

In social studies we have studied Germany, Malaya, and the island of Singapore. We are now going to study Italy, an interesting subject. Since Fire Prevention Week is this week we are making posters and putting on a skit. There are six people in our room who play band instruments. Mrs. Lord is reading us Johnny Tremain. It is very exciting. We have many in the room who belong to the Scouts. Tuesday morning we had a movie on "What is Money?"

Last Wednesday noon we all got out of school because of the teachers' convention, but this week we are back to studying hard. Tomorrow we are going to have our exams. In Social Studies we are studying about the town of Bethel. It is very interesting. This Friday night is the night that the eighth grade goes roller skating. We are all excited. — Reporters, Elizabeth Wallen and Pat McMillan.

Grade 8—Mrs. D. Lord

We have had 100% attendance this week. Achievement tests are being given this week to almost all of the grades. Our Weekly Reader covers came Tuesday. We think they are very pretty and useful. We enjoyed the movie, "What is Money?" It showed how many kinds a fire-digger bill may pass.

## LOCKE MILLS

— Mrs. Florence Swift, Corres. —

The Locke Mills Community Club met at the town hall Tuesday evening, with the president, Miss Charlotte Cole, presiding. There were 11 members and one visitor, Mrs. Lester Bickford, who later became a member. After the business meeting a silent auction was enjoyed, which netted the club \$7.45. Refreshments were served by Mrs. Dwight Martin, Mrs. James Blanchard and Mrs. Henry Leach.

Dr. and Mrs. Frank Wadsworth, Dresden, N. Y.; Miss Grace Kipp, Rochester, N. Y.; and Miss Gladys Smith, Islip, Long Island, who have been guests of Mr. and Mrs. Arthur Pfaudler, have returned to their homes. The ladies are sisters of Mrs. Pfaudler. Saturday night in addition to the house guests Mr. and Mrs. Pfaudler entertained at dinner the following guests: Mrs. Gladys Cross, Bethel; Mr. and Mrs. Donald Cross, Doane and Wendy, Bethel; Mr. and Mrs. Uppes Polkkinen, Kipp, Kent, and Janna, West Paris; Mr. and Mrs. Dolan Jackson, and son Alfred, Rochester, N. Y.; and Mrs. Merton Nye, all of Rochester, N. Y.

The Ladies Circle will meet at the home of Mrs. Esther Leach, Wednesday, October 16, for an all day meeting with a pot-luck dinner.

Mr. and Mrs. Clifford McAllister have been spending several days at their camp in Lovell.

Harry Swift is serving on the traverse jury at South Paris.

Raymond Swan, postmaster, is having a vacation from his duties. Mrs. James Blanchard and Mrs. Richard Melville, are working in the post office.

## CUB SCOUTS

Den 3, Cub Scouts, met at the home of Den Mother Mary Billings. We played Feed the Jack-O-Lantern outdoors, then came inside and opened the meeting with the song, America. While we ate popcorn, balls brought by Tommy Hutchins and Edwin Sloan, the Den Mother read Little Orphan Annie. We told ghost stories and made skeletons. We sang Columbia the Gem of the Ocean and discussed Columbus Day. — Keeper of the Buckskin.

through from the bank back to the bank again. Marian Wheeler brought a beautiful piece of black terrarium, which her father took from the mine that morning.

## CARD OF THANKS

Many thanks to my friends for all the cards, calls, and remembrances which I received while I was ill.

CHRISTENING . . . Marie's mother, Jayne Mansfield, was given a bottle of pink champagne to christen her new pink swimming pool at her Hollywood home.

Larry Billings.

Den 2 Cub Scouts met at Den Mother's, Frances Saunders', Wednesday, Oct. 9. We opened with the flag salute. We discussed pack meeting and made skeletons to be used at pack meeting. Our den chief, Dwight Lord, showed us how to play tacks in the nose on the Jack-O-Lantern. Jack McMillan is a new Cub Scout in our den. Closed our meeting with Living Circles and Promise. Allan Walker, Keeper of the Buckskin.

Cub Scouts, Den 3, met at Den Mother's, Mrs. Helen Saunders', We opened the meeting with the flag salute and then went to work and made woodland terrariums. We delivered these to shut-ins and elderly people in the area. One of these terrariums will be on display at pack meeting. The folks were really pleased with them. After refreshments we closed the meeting singing "Columbia the Gem of the Ocean." — Eric Paul, Denner.

## GIRL SCOUTS

The second grade Brownies met Tuesday at the Primary School with 20 present. We colored a picture of Smokey the bear and talked about ways to prevent fires. We also started our scrap books. Hostesses for next week will be Cheryl Merrill, Copper Coolidge and Diana Cross.

Brownie Patrol No. 2 met at the home of the leader, Mr. Faith Brown Tuesday afternoon after school. The Brownies formed their horseshoe and held election of officers with the following being chosen: Patrol leader, Barbara Sue Wheeler; Secretary, Wanda Tibbels; Treasurer, Carlene Mills; flag bearer, Stephanie Faudt.

Brownie Troop 2 (Mrs. Wheeler's group): Our meeting was held at the home of Mrs. Edward Wheeler. Refreshments were served. We elected officers as follows: President, Heidi Gilman; Secretary, Nancy Chapin; Treasurer, Beth Sargent. We made leaf Notebooks using spatter printing and crayon print. Refreshment committee for next meeting will be Leah Swain. The meeting was closed by singing Taps in our Goodnight Circle. Respectfully submitted, Secretary, Nancy Chapin.

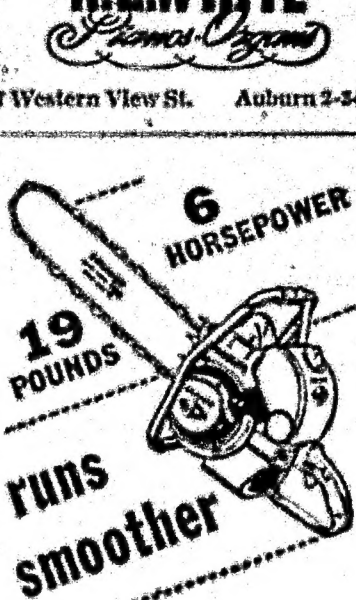

Bethel Brownies, Troop 3: On Oct. 1 we met at Crescent Park School. After the business meeting

## GOULD ACADEMY

## Gould Runners at Portland

Thursday Coach Francis Berry's Gould Runners will go to Portland for their second meet of the year. The Gould runners showed up surprisingly well in the open against Kennett last week when they finished with a perfect score of 15. The young underdogs show signs of strong teams in the coming few seasons. Lack of experience and youth will be their chief handicap this fall.

Gould at Lyndon Saturday Coach Scott will take his football squad to Lyndonville, Vt., Saturday to meet arch rival Lyndon Institute. Gould-Lyndon rivalry has been keen since the beginning of their series of games. Both clubs have found it difficult to win away from home. Close, thrilling games have been the result in the past. Jim Hill, one of Gould's outstanding runners, who was injured in the South Paris game and lost to the team last Saturday against Norway may be ready to start again at Lyndon. Gould is sadly lacking in material this year and the return of Hill would be a big boost to the club.

Gould Runners in Perfect Score Coach Berry was well pleased and well he might be with his young, green runners of the cross country team that swamped Kennett High of North Conway here last Friday. The Huskies took the first six places in the meet with a perfect score of 15. Don Angevine was the winner of the 2.8 mile race as he finished in 13 minutes and 35 seconds. The course record is still held by Payne of Fryeburg at 12:55.

Norway 30—Gould 19 A highly keyed, well-coached team from Norway High outplayed and defeated Gould last Saturday for their first victory over an Academy team in thirteen years. The hard running of Frechette, the all round runner of N. Brown and G. Brown, as well as the smart signal calling of Eston turned the trick. Truman, an end, was outstanding in the line, but the entire starting line lacked little to be desired.

For Gould, Sumner was outstanding, especially in the first half. Gould took the opening kick-off to their own 33 and then marched 67 yards to score. A 38 yard run by Gerry Smith set up the first T. D. Nichols carried over from the 4 yard line.

Norway came back strong marching 95 yards with 4 first downs to score. Frechette and George Brown led the attack with long gains with Alan Robbins scoring through center from 8 yards out. George Brown rushed the extra point.

Early in the second period Sumner intercepted a Norway pass on the 46 yard line and carried to the 20. Six plays later a pass from White to Whitten for 12 yards produced Gould's second T. D. Norway, not to be denied, took the kick-off to the 32 yard line and then marched 65 yards to score. Neil Brown, who replaced the ailing Robbins, sparkplugged this drive, turning in one jaunt of 26 yards. Frechette again scored, this time on the last play of the half from 17 yard out.

In the third period Gould recovered a Norway fumble on the Norway 40. Smith, Sumner, and Nichols took turns smashing 2, 4, and 1 yard gains down to the 5 yard line. Here a surprise quarterback back named Gould's third T. D. This one was by Ted White. Behind 19-14, Norway took complete charge in the final stanza. A fumble by Gould, recovered by Norway, opened the door as the injured Flannery traveled the 26 yards in 5 plays. Frechette scored from the five yard line. Neil Brown rushed the extra point. Again Norway recovered a G. A. fumble on the 27 yard line. Frechette made 7 yards.

Neil Brown went through center for 10 and then Eaton went 10 more to score in three plays. George Brown rushed the extra point.

With both teams loaded with reserves Norway's final tally resulted in a safety as Jackson nailed a Gould runner behind the line in the end zone to make the score 30-19.

Parents' Day Another very successful Parents' Day was held here at Gould last Saturday. Events got under way in the morning with registration of parents and families and two hockey games between the Gould girls and the girls of Kents Hill. The varsity was beaten 3-1 but the junior varsity won their game 6-1.

Tennis matches were going at the same time, also with Kents Hill. Kents Hill was winner in most of the games.

At 2:00 the football game between Norway and Gould began. The band entertained during the half. After the game parents and faculty members met at a tea in the gymnasium while the boys held a social hour for guests in Holden Hall.

From 5:00-7:00 an excellent buffet supper was served to 550 guests. Later in the evening musical entertainment and skits were presented in the gymnasium. Taking part in the program were several parents whose student sons and daughters had kindly volunteered their services. According to the figures the senior and freshman classes had the highest percentage of parents registered, the seniors with 95% and the freshmen with 84%.

Especially fine weather added a great deal to the week end. Many of those attending took advantage to drive around and see the scenery.

GIRLS' SPORTS by Ruth Willard At 10:00 on Saturday morning of Parents' Weekend, the Gould Varsity hockey team took their places on the girls' athletic field against Kents Hill Preparatory School of Readfield. The Kents Hill team scored the first goal followed by a goal made by Peggy Luke, inner guard for Gould. In the second half their invincible forward line again broke through with another goal making the final score Kents Hill 2—Gould 1.

Though the Gould girls were not victorious, their spirit and sportsmanship could not have been better.

Following the varsity game, a little weary from cheering but definitely determined to win the J.V.s took positions on the field. The game got off to a good start with Susan Saunders making the first goal. At the end of twenty minutes the score was in Gould's favor 3-0. After a ten minute rest the girls were raring to go again.

Early in the second period Sumner intercepted a Norway pass on the 46 yard line and carried to the 20. Six plays later a pass from White to Whitten for 12 yards produced Gould's second T. D. Norway, not to be denied, took the kick-off to the 32 yard line and then marched 65 yards to score. Neil Brown, who replaced the ailing Robbins, sparkplugged this drive, turning in one jaunt of 26 yards. Frechette again scored, this time on the last play of the half from 17 yard out.

In the third period Gould recovered a Norway fumble on the Norway 40. Smith, Sumner, and Nichols took turns smashing 2, 4, and 1 yard gains down to the 5 yard line. Here a surprise quarterback back named Gould's third T. D. This one was by Ted White. Behind 19-14, Norway took complete charge in the final stanza. A fumble by Gould, recovered by Norway, opened the door as the injured Flannery traveled the 26 yards in 5 plays. Frechette scored from the five yard line. Neil Brown rushed the extra point. Again Norway recovered a G. A. fumble on the 27 yard line. Frechette made 7 yards.

## UPTON

Mrs. C. A. Jenkins, Corres. Several from town attended Fryeburg Fair last week, including Mr. and Mrs. Henry Lane and Mr. and Mrs. Fred Jenkins and family. Mr. and Mrs. Edgar M. Bailey, Jr. and son, of Millinocket and Faith Abbott of East Sumner were week end guests of Mr. and Mrs. C. A. Jenkins.

Mr. and Mrs. Carroll Greenleaf, Mrs. Ruth Dulles and son, and Mrs. Ethel French of Norway called on friends and relatives in town on Sunday.

Miss Helen Montague of Needham, Mass., spent the week end at her cottage.

Mr. and Mrs. Leigh Smith of Lisbon spent Sunday at their cottage.

Mrs. Arline Bernier and daughter, Melanie, and Mrs. Ruth Bailey were guests of Edward and Juditha Bernier at Gould Academy Saturday afternoon and evening, celebrating Parents' Day.

C. A. Jenkins is on jury duty at South Paris.

Mr. and Mrs. W. J. Kenyon closed their summer home and left Sunday on their way to their winter home in Florida. They will spend a month or more along the way visiting friends in Vermont and their daughters in New Jersey and Virginia.

Mr. and Mrs. Ray D. Thompson of Natick, Mass., spent a few days last week at their home here.

and the Kents Hill girls were determined. A Kents Hill forward drove in one goal followed by three more by the Huskies. The outstanding factor in this game was the penalty bully by the opposing goalie and centerforward, Sue Saunders. Sue gave the ball a powerful hit and it was into the goal.

## FROM OUR FILES

## 19 YEARS AGO

The West Parish Congregational Church celebrated the one hundredth anniversary of its church building.

Parents' Day at Gould was Oct. 11. The Gould-St. Johnsbury football game was an afternoon feature.

## 29 YEARS AGO

Wills, Albert Root, William H. Root and John Trask, all of Dixfield, were drowned in Mill Brook, when their car left the road in Albany, near the Old Cummings place. They were enroute to Waterville Fair.

Six buildings were destroyed and

the library badly damaged in a \$25,000 fire at Waterville.

The C.C.C. Camp closed in Wild River.

Death: Mrs. Edna Abbott.

## 36 YEARS AGO

The contract for the steel superstructure of the bridge across the Androscoggin was let to the Boston Bridge Works for \$28,000.35.

Bear River Grange Community Fair, held at Newry Corner, was a great success.

A heavy rain washed out roads in many sections.

Deaths: Maud Thurston Glover, Joseph E. Rodriguez, Frank

Hillings.

## THE WORKMEN WHO NEVER SHOWED UP

Have you ever figured out just what the federal government costs you—what the cost of taxation to other costs you must bear?

Publisher Guy T. Lodi of the Waterville News, Waterville, Neb., has done just that. His paper is a small business, with a circulation of about 4,500. Last year he finds the federal government took \$633 per hour for every hour the plant was in operation. As to the cost, that was equal to the cost of three skilled workmen—three skilled workmen that never showed up for work.

Then Mr. Lodi did some more calculating. He found the federal taxes came to over \$200 in cash each week, and amounted to nine cents out of every dollar taken in, whether or not a profit was made on the transaction. And these taxes took enough money out of the plant to pay for any one of the following: heat for 22 years; postage for 9 years; electric lights for 22 years; water for 126 years; electric power for 9 years; electric heat for the typewriting machines for 22 years; telephone for 21 years; and insurance for 15 years.

That, Mr. Lodi goes on, brings up the big question: "What are we going to do about it?" Here's his answer: "We don't know. We know that spending by government is too high, that taxes are too high and going higher. Actually, we would propose that tax-conscious people everywhere seriously consider the problem before the next primary election in 1958. At that time something can be done if everyone will crack down on the spenders in Washington."

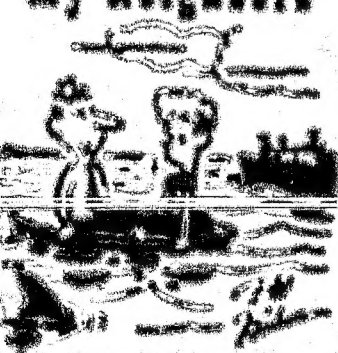

## TINUAL MERIT

A bill which is strongly supported by both parties in Congress, including the liberal and conservative wings of those parties, obviously has general merit. That was the case with a measure which was approved in the closing hours of the first session of the current Congress. Its purpose is to protect the file of the Federal Bureau of Investigation—a protection which J. Edgar Hoover and other authorities regard as absolutely vital if this Bureau is to continue to deal effectively with subversion and other grave crimes.

Good for such a bill was brought about by a Supreme Court decision and a subsequent action of the House of Representatives. The latter provided that the records of the FBI should be open to all the files on demand of the defense. In the case of the FBI, this meant that the sources of information and methods of investigation would become known to all, to the detriment of the public. It also meant that serious harm might be done to innocent people if the contents of the "files" or classified files which contain confidential informants and charges were made known.

The matter was a very delicate one for the one hand, it was necessary to protect defendants from the disclosure of a "check" matter on the other hand, it was necessary to keep the FBI from being charged with a lack of objectivity. It seems that the House has decided only to require a "check" on the "check" of the FBI.

## V. A. NEWS LETTER

Young veterans who first entered service after April 25, 1951 and who now are being discharged, cannot buy GI life insurance unless they have a service-connected disability.

M. L. Stoddard, Manager of the Veterans Administration Center, at Togus, Maine, said considerable misunderstanding exists on the subject.

Stoddard said veterans leaving service with service-incurred disabilities, who are insurable except for those disabilities, may apply to VA for GI life insurance any time within one year after VA finds their disabilities are service-connected.

Bonuses for World War II and Korean War veterans have been authorized in 21 states, at a total cost of \$2.8 billion.

## BORN

In Rumford, Oct. 6, to Mr. and Mrs. Frederic O. Wight, a son. In Agawam, Mass., Oct. 8, to Mr. and Mrs. William Gile (Laura Belle Bennett), a daughter, Sonja Louisa.

In Lewiston, Oct. 4, to Mr. and Mrs. Alfred Hakala of West Paris, a daughter, Joan Elizabeth.

## DIED

In Augusta, Oct. 9, Harriet M. Blake of Bethel, aged 70 years.

## Boone, Iowa, News-Republican

"...the experts say that seat belts really do make driving safer. Cornell (New York) University's committee on transportation safety research has this to say: 'From more than 5,000 case histories of injury-producing accidents we have reached conclusions which should remove all doubt of the effectiveness of belts in minimizing injuries in automobile accidents. In actual use properly designed and installed seat belts will increase a motorist's chance of escaping injury by nearly 80 per cent.'"

## "I've killed a child—"

Just by taking a foolish chance.

No one expects to meet death on the road. No one expects to cause it. Yet, last year 40,000 Americans died in traffic accidents.

Most of these deaths can be prevented—with your cooperation.

BACK THE ATTACK ON TRAFFIC ACCIDENTS

Here's how you can help:

1. Drive safely, courteously yourself. Obey speed limits, wearing your seat belt. When traffic laws are obeyed, deaths go DOWN.

2. Traffic laws. They work for you, not against you. When traffic laws are strictly enforced, deaths go DOWN.

## FARM HOUSING LOAN FUNDS

Loan funds are now available through the Farmers Home Administration that can be used to help farm owners obtain new water supplies or improve the water supply they now have. These funds may also be used to build or improve essential farm buildings, including homes, according to Elwyn R. Morrow, Farmers Home Administration supervisor.

Farm Housing loans are repayable over periods up to 33 years at 4 per cent and are secured by a mortgage on farm property.

Farm owners are expected to have complete buildings plans and the specifications for the improvements they plan to complete. To help borrowers obtain construction that

meets general accepted standards of soundness, the Farmers Home Administration will review the plans and inspect the construction as it progresses.

The local Farmers Home Administration County Committee will determine whether or not an applicant is eligible. In addition to being a farm owner, an applicant must be unable to obtain suitable credit from other lenders, and have enough income from the farm or the farm and other sources to meet family needs and farm operating expenses and repay his debts.

Additional information on these loans may be obtained at the County Office of the Farmers Home Administration located above the Post Office in South Paris.
